A LETTER FROM THE PRESIDENT AND EXECUTIVE DIRECTOR

THE CAYUGA COUNTY COMMUNITY COLLEGE FOUNDATION, INC.

Dear Friends and Supporters,

We are happy to report to our donors, investors and supporters that the Cayuga County Community College Foundation continues a long tradition of supporting Cayuga Community College. The Foundation started with an initial corpus of \$1,572 in 1982 that has now grown to over \$14.8 million dollars. This careful fiduciary management has occurred, while at the same time annually awarding the College, our faculty, staff and most importantly, our students, hundreds of thousands of dollars each year to invest in educational opportunities.

This past year our investments have ranged from our Presidential Scholarships that provide a free high-quality education to our best and brightest area high school students and supporting faculty projects each summer for intensive Academic Fellowships to educational opportunities through the arts, underwriting theatrical performances and providing stipends to students who may not be able to financially join the National Phi Theta Kappa Honor Society, an association that helps them access other financial aid, to continue their education after they leave Cayuga. Collectively these investments encourage enrollment, support both our students and faculty and enhance our college community.

The Foundation has taken the view and implemented the practice, when possible, to make investments that leverage outside funds to create opportunities for our College and its students. The largest single investment of this type in years has been the September 2019 purchase of the River Glen Plaza adjacent to our Fulton Campus, to allow for the expansion of credit and non-credit courses. This investment has its expenses covered by the College and SUNY reimbursement, with no cost to the Foundation. After discussions with President Brian Durant, the Foundation agreed, at the end of August 2020, to assist the College in the creation of the Advanced Manufacturing Institute on the Fulton Campus that will double its investment with a match from SUNY.

For more than half of the 2019-2020 Academic and Fiscal year Cayuga, the Foundation and the nation faced the COVID-19 Pandemic. Immediate priorities changed, and our focus became the dire needs of our students. For example, while we are still fundraising for our 88 Keys Campaign to replace the College's nearly six decade old piano, we have had to extend that effort into 2020-2021. Rather we have been presented with unique opportunities in this crisis to assist our students. A prime example was that we were able to help leverage a challenge presented by the SUNY Impact Foundation with the assistance of an anonymous out of area donor. In just a two and half month period, we raised more than \$28,000 to go directly, by the end of December 2020, to help students, who, due to the Pandemic, had food security, housing, medical or transportation needs that would have prevented them from continuing their studies.

It is support like this, that allows our students, faculty and College to grow and thrive. On behalf of the Foundation Board and Staff and Cayuga Community College, we want to thank you for your continued support of our efforts to continue to assist our faculty, staff and students.

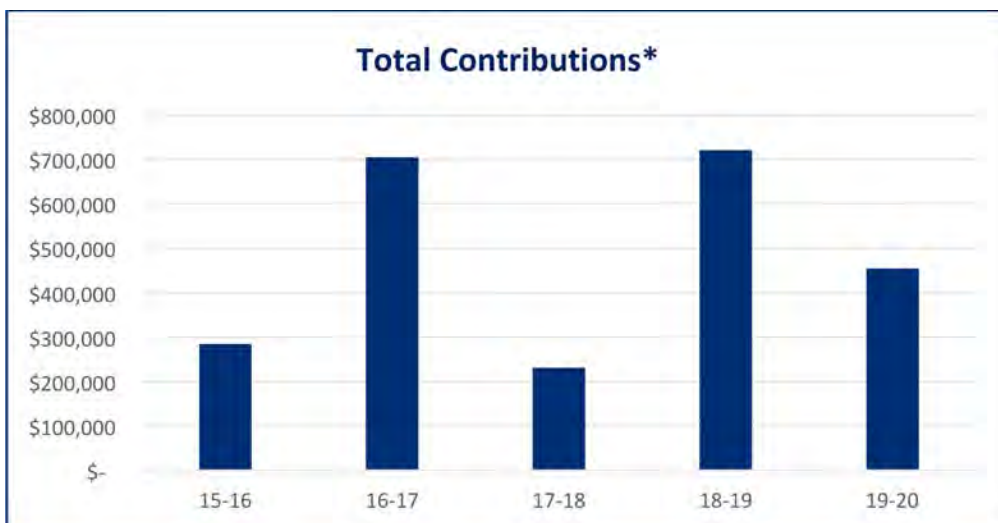

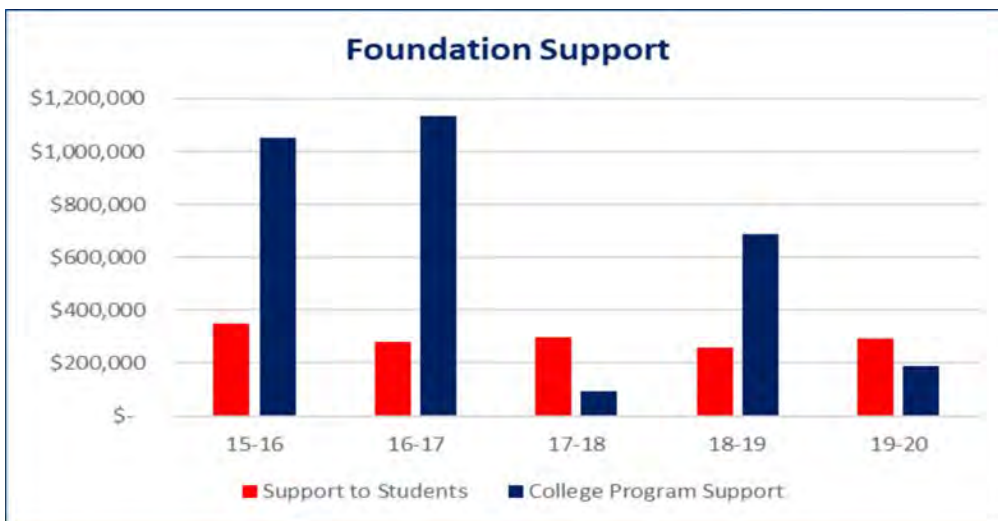

Kelley Gridley
Board President

Guy Thomas Cosentino
Executive Director

MISSION STATEMENT

The Cayuga County Community College Foundation, an independent entity, raises and manages funds for Cayuga Community College and its mission.

*2018/19 Contributions includes a donation of equipment valued at approximately \$484,000.

**JANE AND BILL FOX & FOX DEALERSHIPS
 CONTINUE SUPPORTING CAYUGA STUDENTS**

Jane and Bill Fox presented a check to the Cayuga County Community College Foundation for \$5,000 to support the Curtin Fox Memorial Scholarship. The Fox family are tremendous supporters of Cayuga, and we continue to appreciate their generosity to our students.

Pictured from left are Foundation President Kelley Gridley, College President Dr. Brian Durant, Bill Fox, 2019-2020 Curtin Fox Memorial Scholarship recipient Alaina Bates, Jane Fox and Foundation Executive Director Guy Cosentino.

OSCILLOSCOPES PURCHASED FOR FULTON LAB

Through the generosity of the Myron Sullivan Memorial Fund, the College has been gifted 18 state-of-the-art “Digital Storage Oscilloscopes” for the Physics-Technology-Engineering Lab Room on the Fulton Campus. Oscilloscopes are a laboratory instrument that is commonly used to display and analyze the waveform of electronic signals. The device draws a graph of the instantaneous signal voltage as a function of time. The Tektronix equipment purchased is what students, entering the industry, will most likely find at their employer.

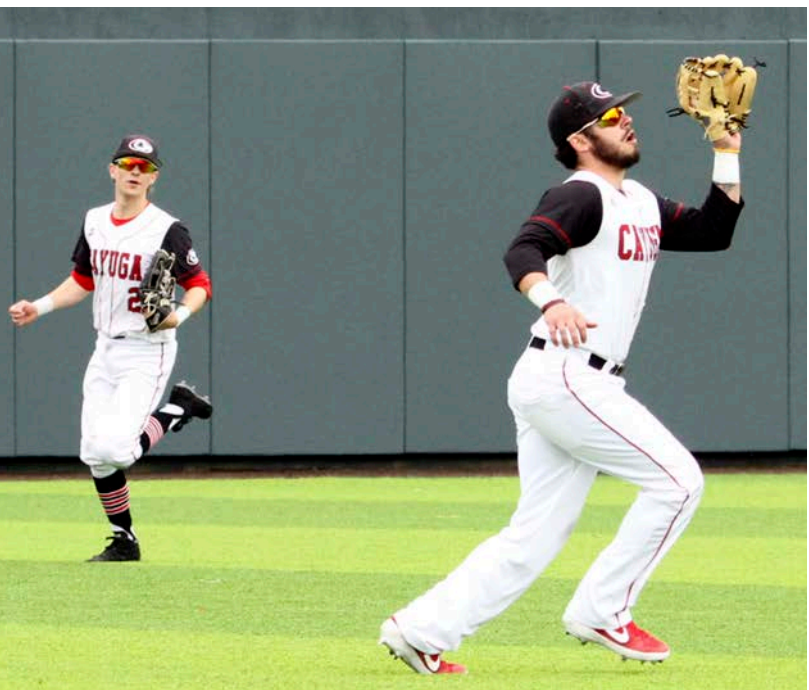

The Fulton campus is looking to expand offerings in Physics-Technology

Engineering classes and having updated-modern equipment, such as the Oscilloscopes, in the labs will be critical to this expansion.

The Myron Sullivan Memorial Fund was established by Everett & Myrna Sullivan to honor Myron Sullivan’s 40-year career of teaching Physics at Cayuga. The College and Foundation are very grateful to the Sullivan family for this purchase and the guidance given by Myrna Sullivan and her son, Adjunct Professor of Physics/Technology/ Engineering Dennis W. Sullivan ’78, who has taught at Cayuga for more than 35 years.

SUPPORT FOR ATHLETICS PROGRAM

In 2019-20, the Cayuga County Community College Foundation provided funding to the Athletic Program to help meet several goals. The Athletic Department, like so many other programs, is challenged each year to “do more with less” and this year that included meeting compliance through mandated trainings and providing additional academic support for our athletes. In addition, part of the grant was used to increase awareness of the newly refurbished Falcon Park and boost attendance at our sporting events. These efforts foster pride in our College and team spirit on campus, and throughout the Cayuga Community College community.

EAGLE SCOUT PROJECT – NATURE TRAIL

In the Fall of 2019, local teen Ethan Caputa was awarded Eagle Scout status after completing an expansive project in the Cayuga Nature Trail, a highly utilized trail and nature preserve behind the Auburn Campus. Mr. Caputa approached the Foundation for guidance, which expanded to include a partnership with him and involvement of long-time supporters of the Cayuga Nature Trail, the Goldman family. The project included new signage, bat and bird boxes along the trail, and culminated with the installation of a new wooden swing overlooking a picturesque pond, courtesy of the Foundation. In addition to the Goldmans and the Foundation, Mr. Caputa was assisted by his fellow scouts of Troop 11, the Cub Scouts of Pack 11, and their scout leaders.

ANNUAL HOLIDAY CRAFT FAIR

In 2017 the Foundation took over running the Annual Holiday Craft Fair from the College. In both 2018 and 2019, the Fair operated at full capacity with over 150 vendors registered. Food trucks and the College’s Subway Restaurant provided refreshments. The Foundation employed 20 College students to assist with the Craft Fair, which, in its 46th year, attracts over 3,000 visitors each year.

FOUNDATION ASSISTS WITH 3 FUTURE NEEDS OF FULTON CAMPUS

The College Foundation, through a subsidiary, CFRG NewCo, purchased the remaining River Glenn Plaza in Fulton adjacent to the Fulton Campus in September of 2019. After careful consideration, the Foundation unanimously agreed to purchase the plaza space that includes more than 127,000 square feet, including a now vacated K-Mart. The Foundation made the decision, in consultation with College leadership, to secure the facility to allow the College to better plan future expansion on the Fulton Campus and reduce its financial liabilities both in the short and long term.

The College currently has a Dental Hygienist, Medical Assistant and OTA Lab in separate store fronts, as well as housing the College’s Student Center, Event’s Center, the Faculty Student Association’s Barnes and Noble

Bookstore and a Fitness Center for students, which was previously funded by the Foundation.

The College Foundation is assisting the College with its next phase of programming on the Fulton Campus - the creation of the Advanced Manufacturing Institute (AMI). In Phase 1, the AMI will occupy the former Dollar Tree storefront of more than 7,500 square feet. In cooperation with economic development professionals and local manufacturing operations, the new AMI will offer a state of the art learning facility for the area’s manufacturers. Many of those companies that will utilize the AMI have already given generously to the College Foundation with the College Foundation also contributing nearly \$100,000 that will be used to complete Phase 1 by the Spring of 2021, allowing the College to leverage SUNY Funds.

OUR NURSES NAMED THE BEST

(Photo from May 2020 graduation)

In August 2020, the Cayuga Community College Nursing Program was named best Associate Degree Nursing Program in New York State and one of the best in the country by RNcareers.org. This organization, comprised of nurse educators and practitioners, helps nursing students advance their careers. Their methodology for the ranking compared data on 55 degree programs from state nursing boards, Federal entities, the National Council Licensure Examination pass rates and other accreditation information.

In 2019, Cayuga announced a partnership with SUNY Upstate Medical University to allow students to earn their bachelor's degree at SUNY Upstate without having to submit new applications.

INVESTING IN THE NURSING PROGRAM

For the 2020-2021 Academic Year, Cayuga County Nursing Scholarships were awarded to nursing students from Cayuga County. The funds will offset the cost of their education through tuition aid, as well as related educational expenses for labs and clinical requirements. This funding was made possible by the D. E. French Foundation and the Stanley W. Metcalf Foundation.

The recipients of the Cayuga County Nursing Scholarships are:

GIVING TO CAYUGA

Making a charitable gift to the College is an important and very personal decision. Your generosity is an investment in the community and in the lives of the individuals who benefit each and every day from Cayuga's excellent education, training, and services.

If your gift will be made by check, please make your check payable to Cayuga County Community College Foundation and mail it to the address below:

The Cayuga County Community College Foundation
197 Franklin Street
Auburn, New York 13021

You can also visit <https://www.cayuga-cc.edu/giving/> to make a secure gift online.

COVID EMERGENCY FUND DONORS

Earlier this year, the Cayuga County Community College Foundation established the COVID 19 Student Emergency Fund, to benefit Cayuga Community College students who are facing dire need, beyond tuition, during the worldwide pandemic. The funds raised in April through June were to be expended by December 2020. In total more than

\$28,000 was made available to be distributed to Cayuga's students. This was made possible through an initiative of the SUNY Impact Foundation, and their arrangement with a generous anonymous foundation to the match donations to our fund. Our gratitude goes out to the following people who stepped up to make this possible:

Henry Abbott, '71
 John M. Achramowicz
 Daniel Agan
 Patricia E. Albring

FACULTY SUMMER FELLOWSHIPS

Special Projects and Development Grants provide faculty and staff members the opportunity to attend conferences, explore possible new programs and pursue professional development in their fields. Recently funded projects include:

Abu Badruddin, Professor of GIS, attended the 2019 Education GIS Conference in San Diego. The Conference provided opportunities to learn about recent advances in GIS technology, receive software training on new products and gain access to educational resources from ESRI (Environmental Systems Research Institute).

John Campbell, Professor of Drafting, (pictured with his students above), developed a course entitled “Advanced CAD/CAM – MMT 208”, a 4 credit hour that provides the knowledge and skills necessary for effective designing and drafting of tools, dies and fixtures used for stamping, forming, shaping and inspecting component parts as well as products.

William DeMott, Associate Professor of Art, created eleven illustrated PowerPoint slide lectures on art topics, and fifteen Art History PowerPoint slides. These short illustrated lectures on a variety of topics can be used in art and art history classes, borrowed by other art instructors and possibly instructors of classes outside of art.

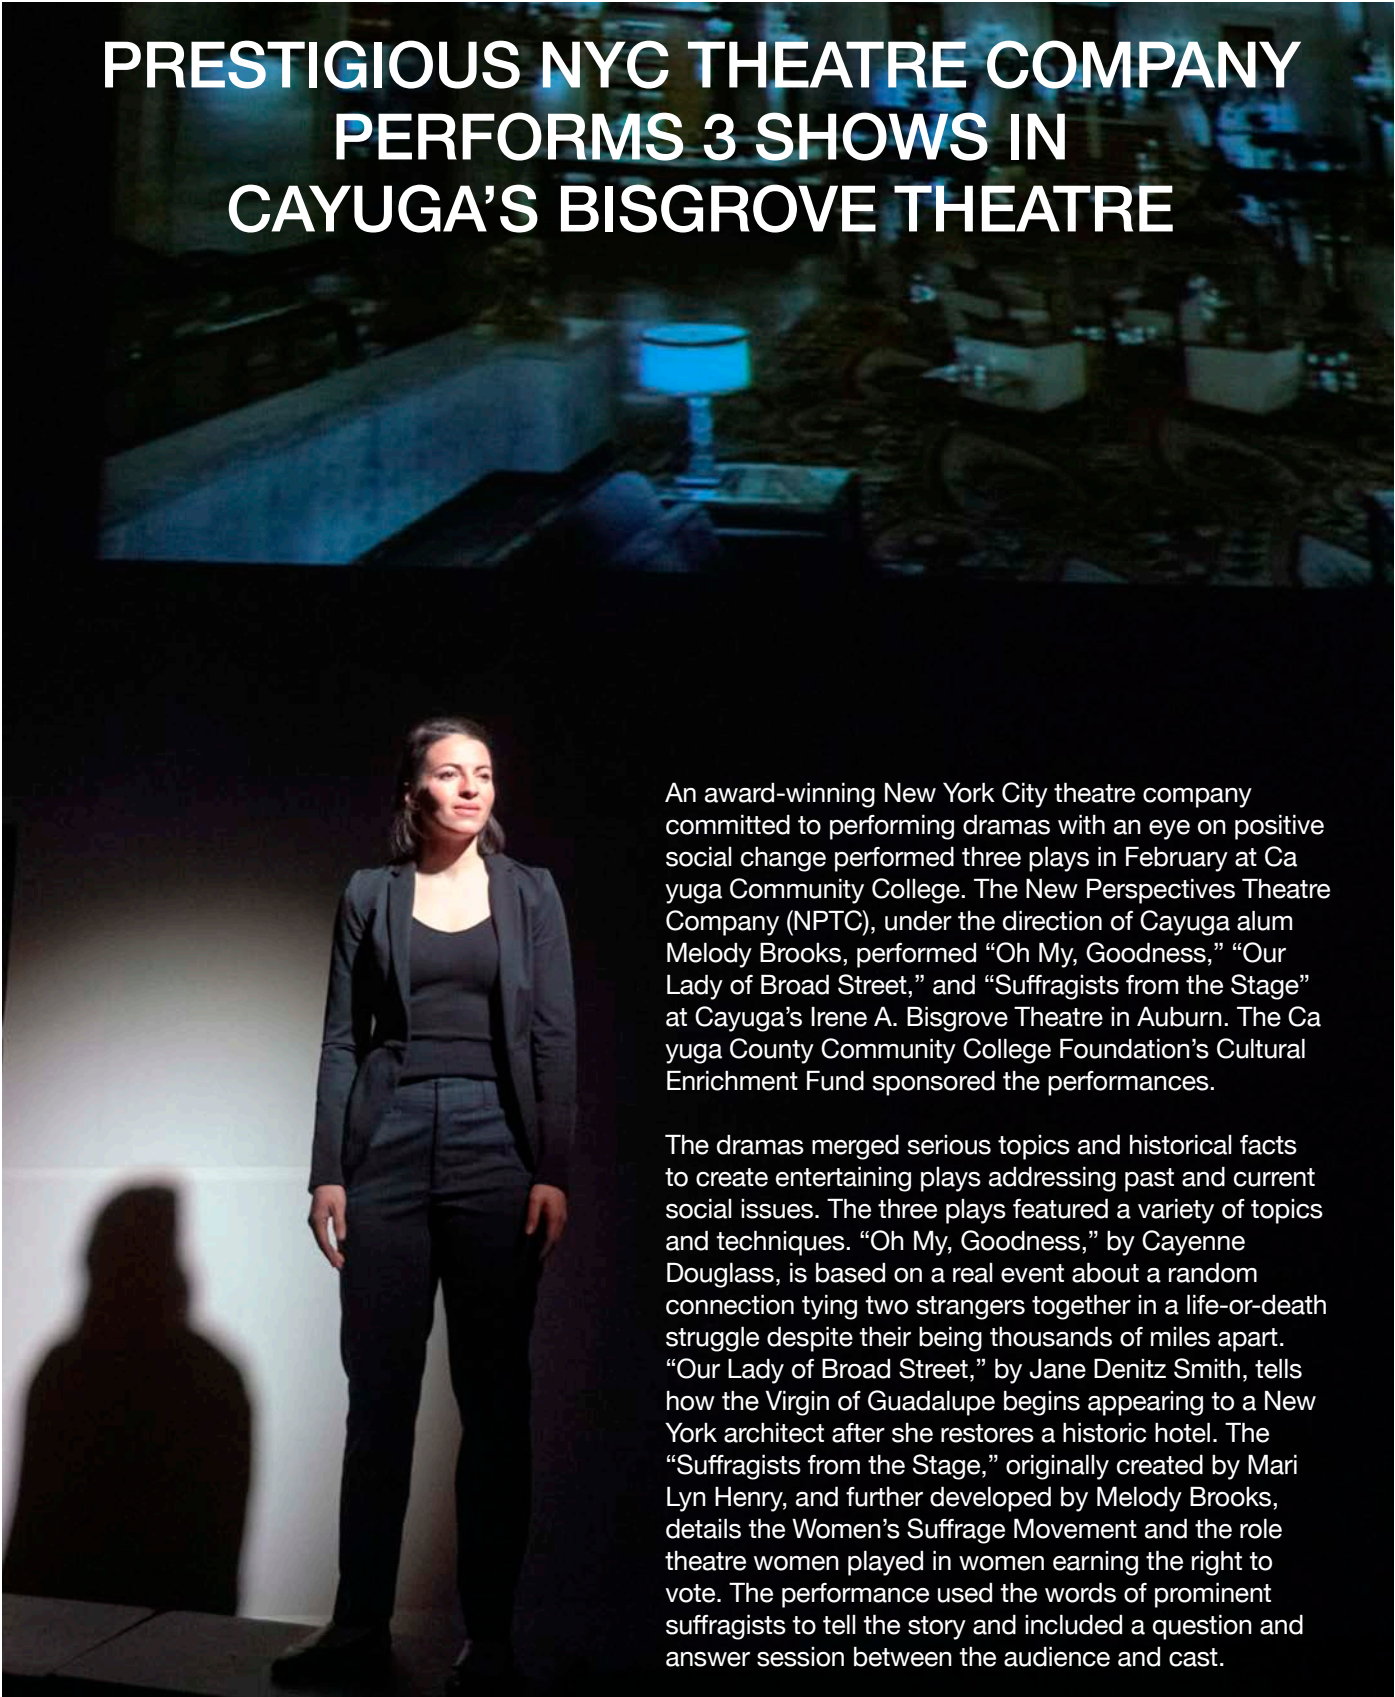

Brenda Forrest, MS RN FNP CNS, Professor of Nursing, and **Kassie McGrath**, MS RN, Assistant Professor of Nursing, developed and integrated the patient simulations for maternity post-partum hemorrhage and pediatric asthma, acute respiratory distress, for the nursing students to participate in as part of learning experiences they would not, likely, experience in a clinical setting.

Melissa Johnson, Associate Professor of Art, attended a week-long course on Book Art at Wells College, and a class on Sauri Weaving, taught by Karen Pardee. She is one of four registered Sauri (free form weaving) instructors located in the Northeast U.S.

OUR VISION STATEMENT:

The Cayuga County Community College Foundation will serve as a national model for fundraising and prudent fiscal management.

PRESTIGIOUS NYC THEATRE COMPANY PERFORMS 3 SHOWS IN CAYUGA'S BISGROVE THEATRE

An award-winning New York City theatre company committed to performing dramas with an eye on positive social change performed three plays in February at Cayuga Community College. The New Perspectives Theatre Company (NPTC), under the direction of Cayuga alum Melody Brooks, performed "Oh My, Goodness," "Our Lady of Broad Street," and "Suffragists from the Stage" at Cayuga's Irene A. Bisgrove Theatre in Auburn. The Cayuga County Community College Foundation's Cultural Enrichment Fund sponsored the performances.

The dramas merged serious topics and historical facts to create entertaining plays addressing past and current social issues. The three plays featured a variety of topics and techniques. "Oh My, Goodness," by Cayenne Douglass, is based on a real event about a random connection tying two strangers together in a life-or-death struggle despite their being thousands of miles apart. "Our Lady of Broad Street," by Jane Denitz Smith, tells how the Virgin of Guadalupe begins appearing to a New York architect after she restores a historic hotel. The "Suffragists from the Stage," originally created by Mari Lyn Henry, and further developed by Melody Brooks, details the Women's Suffrage Movement and the role theatre women played in women earning the right to vote. The performance used the words of prominent suffragists to tell the story and included a question and answer session between the audience and cast.

COLLEGE FOUNDATION’S FIRST CHAIR PASSES AWAY

Dr. Joseph K. Karpinski Sr., D.D.S, the College Foundation’s first Chair passed away on April 7th, 2020 at the age of 96 in Auburn. Dr. Karpinski, a gregarious personality and local philanthropic leader helped to found the College Foundation when it was formed in the Spring of 1982, with other community leaders that included William F. Allyn, Dr. Arthur Bellinzoni, John “Jack” Bisgrove, Dr. Bruce Dearing, Peter J. Emerson, Joseph F. Ganey, Marion Kennedy, William Komanecky, Senator George Metcalf, May Minturn Osborne, Assemblyman Lloyd S. Riford, Robert J. Tarnow and Ronald West.

A member of the College Board of Trustees at the time, he agreed to take a leadership role with Daniel C. Labelle, then a professor of theater and Chairman of the Humanities Department, in founding the Foundation, which would have Dr. Karpinski as its first President and Mr. Labelle as its first Executive Director. Starting with assets of less than \$175,000 at the end of 1982, the Foundation manages nearly \$15 million currently.

Dr. Karpinski served on the Foundation Board until 1986, when he was made its first life-long honorary member.

Dr. Karpinski, with his late wife, “Honey”, was one of the College’s greatest cheerleaders both supporting it with his volunteer leadership and also philanthropically. He and his family have had a long history of supporting the College with his brother John J. Karpinski, being a member of the original Board of Trustees for Auburn Community College and continuing on with his nephew, local attorney John Karpinski, serving nearly three decades on the Board of Trustees, retiring from the Board during the 2016/2017 Academic Year.

Among the philanthropic gifts Dr. Karpinski made to the College included financing for several family scholarships and also the rotunda, on the Auburn Campus, named the Dr. Joseph F. Karpinski Sr. Rotunda and dedicated in 2005. Even in his final year, Dr. Karpinski had CCC in his thoughts by making one more sizable gift to the College.

88 KEYS DONATIONS 2019 – 2020*

We have been working with the College’s Associate Professor of Music and Music Production, Michael Cortese, to replace the piano that has long served the College. The result is our **88 Keys Campaign** to raise the money to purchase a Steinway Grand Piano from a local vendor.

*The 88 Keys Campaign is ongoing and we are still accepting donations, including those that would result in naming opportunities.

**FRED L. EMERSON FOUNDATION
 ACADEMIC SCHOLARS**

The Fred L. Emerson Academic Scholarships are for high school seniors in Cayuga County who show promise of success in college. The Emerson scholar candidate demonstrates outstanding community involvement, leadership, and service. Students must be from high schools within Cayuga County, with a high school average of 75% or above. The Emerson Scholarship covers both tuition and fees, providing the students to focus on their education. These students make Cayuga a stronger institution for everyone.

**CAYUGA PRESIDENTIAL
 SCHOLARS**

The Cayuga Presidential Scholarships are for outstanding students from high schools in Cayuga and Oswego counties, including private schools. Students from the Jordan-Elbridge, Skaneateles and Red Creek school districts are also eligible. These Scholarships are available to all students who graduate in the top 20% of their high school class and provide full tuition for two years at CCC, as long as the student maintains a 3.0 GPA and attends full time. All Cayuga Presidential Scholarship recipients can complete the first two years of their college education without spending a penny in tuition. The Cayuga Presidential Scholarships reward students for consistently demonstrating strong academic performance. It also brings students to Cayuga who participate in honors programs, student government and other leadership positions. These students serve to raise the academic bar in every classroom, serving as examples for their peers.

SCHOLARSHIPS

Non-Endowed Named Scholarships

A minimum gift of \$2,500 establishes a named non-endowed scholarship. You may also choose to continue the scholarship with annual donations. Gifts can also be made to the Foundation's General Scholarship Fund.

Endowed Scholarships

You can create a named endowed scholarship fund for Cayuga Community College students. An endowed scholarship currently requires a minimum contribution of \$25,000. Ways to reach this minimum include one-time cash gifts, stocks and gifts given over a period of time, among many other plans. The Foundation will be pleased to work with you on a payment schedule that allows you to establish a scholarship fund.

Ashley Ruport

Class of 2022

"I am the 2020 recipient of the Herman and Margaret Schwartz Scholarship. I have been a licensed practical nurse for 14 years and decided that it was finally time for me to chase my dream. When I was accepted in to the Cayuga Community College Registered Nursing Program, I knew that my dreams were going to become a reality. Being a single mom and working full time while attending nursing school is not going to be an easy feat, but I am ready for the challenge. When I received the scholarship, I was so excited. To me, it was the scholarship committee saying "we picked you because we believe in you!" It was the sign I needed to know that this is my time. I am so thankful and so blessed to be the recipient of the Hernan and Margaret Schwartz scholarship. The funds received are helping me chase my dream. Thank you!"

"I am so thankful to have the honor to have been selected for the Neilia Hunter Biden English Award for Journalism. I have immersed myself into Cayuga and am especially focused on participating with the Cayuga Collegian (The College Newspaper). Knowing that my efforts during my time at Cayuga are being acknowledged is so rewarding. I am thankful for all the professors and staff that have guided me along the way."

PLANNED GIVING

Planned Giving, or Legacy Giving, may allow you to make a meaningful and lasting legacy for generations of students to come. There are a variety of ways to make planned gifts to the Foundation that will not deplete lifetime assets, and in some cases, can furnish additional income and significant tax deductions. Ways to include the Foundation in your estate plans include bequests, life insurance, charitable annuities, retirement funds, trusts and real estate.

Planned giving helps ensure the future and growth of Cayuga Community College by securing a base of permanent support for College initiatives. Talk to your financial advisor, or contact the Foundation Office at (315) 294-8587 or www.cayuga-cc.edu/foundation, to start the conversation.

2020 ALUMNI AWARD RECIPIENTS

Two graduates of Auburn/Cayuga Community College were named Alumni Association Award recipients for 2020 – Lisa D. Chelenza '92 and Hon Timothy R. Rice '77.

ALUMNI-SPONSORED ACTIVITIES IN 2019

- The Annual Gettysburg Battlefield National Park Excursion with Cayuga Professor John Lamphere, '74, took a full bus down in September of 2019, to experience the many sights and stories of this hallowed place in our history.
- November's New York City Overnight Trip followed, with its popular "on your own" agenda for the travelers. Attendees above with Spartan Seals.
- The Alumni Association welcomed visitors to the 2019 46th Annual Holiday Craft Fair at Cayuga Community College with a coat check area and refreshment booth.
- In March of 2019 the Alumni Association selected four students from Cayuga and Oswego counties as recipients of the Alumni Scholarship.

“I am a firm believer in the Foundation’s purpose and appreciate the quality education that Cayuga Community College has provided me and countless others, and additionally, for the College serving as a launching pad for more significant opportunities and growth in the future.”
