4.0 REPORTS

4.1 College Reports

4.1.1 **President's Report**

Dr. Durant thanked the Board for passing the College Operating Budget. He discussed the intentional process this year to include more campus leaders in the process, **including budget managers, department chairs and the President's Council. He noted** that more information about the process is always good, however he hopes they see that the budget goes through many changes from the start to end of the process and relies heavily on accurate budget assumptions which are not static.

Dr. Durant reported the Roof Repair project has begun. He thanked the Director of Buildings and Grounds, Doug Kinney, for identifying a creative cost-saving for the college. Gravel that needed to be removed from the campus roof is being recycled on the Nature Trail for filling pathways and in some draining areas.

Dr. Durant noted that at the June 21st **County Legislature meeting, Ms. Brown's term** was extended to 2024 as a correction to a prior clerical error that shorted her term by two years. Mr. Franceschelli was also appointed to serve a new seven-year term. Dr. Durant thanked Ms. Brown and Ms. LeFever for researching term histories and providing information for the legislature to rectify term dates.

4.1.2 Provost & Vice President of Academic Affairs

Dr. Cantor noted that we have been in contact with Upstate Medical University regarding their intentions to expand nursing education and training opportunities. There has been one positive meeting so far and we will continue to meet with the Upstate Nursing expansion team to collaborate on increased training and employment opportunities for Cayuga students.

Dr. Cantor stated that the college academic leadership has been in deep discussion about the master schedule and scheduling format in a post-pandemic environment. They are taking great care to assess the student perspective as they build out the Fall and Spring schedule.

Finally, Dr. Cantor conveyed that Dr. Kimura was not able to attend today's meeting but wanted to share an update on the college grants process is moving along nicely. We now have an organized and systematic approach to identifying and vetting new funding opportunities that will not only allow us to bring in more resources, but better align our resources to our strategic priorities. Regular updates on grants and sponsored projects will be offered through the Governance & Planning Committee.

4.1.3 Vice President of Student Affairs

Dr. Dotterer reviewed the Enrollment Snapshot that was provided in the written college report. She noted that we are anticipating an enrollment decrease of approximately 10% next year. She explained the enrollment report tracks both enrollment year to date from prior years and enrollment numbers per our budget projected FTE counts. She further explained trends in timing of when those reported numbers change the most, noting July and August are critical months as Fall students (new and returning) build their schedules and officially enroll.

Dr. Dotterer reported that the new Educational Opportunities Program (EOP) staffing is moving along. The search for a Director is near complete and the search for a Counselor is underway. Hiring staff for both positions is important to be ready for a successful Fall start up. EOP traditionally begins in August with a Summer Bridge/immersion program. This being our first year, SUNY is being flexible in how we are able to offer an abbreviated summer program.

Finally, Dr. Dotterer reported that the search for a Director of Financial Aid was unsuccessful. **Cathy Patella's retirement is effective tomorrow, however she has** agreed to continue on a part-time flexible basis until a replacement staffing plan is identified. Dr. Dotterer and the Trustees acknowledged they are grateful for her willingness to support the department while the search for her replacement continues.

4.1.4 Vice President of Workforce Development & Partnerships

Dr. Kimura was not in attendance, but provided a written report in the agenda pack.

4.1.5 Acting CFO/Treasurer

Ms. Nellenback referenced the financial report in the Committee notes as a summary of her monthly report. She noted that the budget year is finishing up in a good position, better than expected. Much of the beneficial results are due to the availability of HERF funds.

Ms. Nellenback reported on the Insurance Broker RFP process. The responses were due yesterday and there appears to be a good response of 7-8 responses. The committee will begin the review late next week. She hopes to have a resolution in time for the July meeting. Ms. Nellenback further reported that Ms. Albrecht has met with the Auditors for a pre-audit discussion. Of note, this year GASB 87 will go into effect,

requiring all leases and contracts to be reviewed to determine if they need to be reflected on our balance sheets. This will be calculated by our auditors in the 21-22 audit and included on our financial statements.

4.1.6 Human Resources & Public Safety

Mr. Corcoran welcomed and introduced Lindsey Suppes as the new Director of Human Resources. He expressed Ms. Suppes is a fast learner and he is confident her time as Assistant Director of HR has prepared her to assume the role. He also noted the RFP for retiree supplemental health insurance is out now and a final recommendation should be ready by August.

4.1.7 Student Trustee

Grace Wiseman is the Student Trustee elect. **Ms. Weisman's** summer work **schedule did not allow her attendance at today's meeting. She hopes to attend the August meeting.**

4.1.8 CCCC Foundation

Mr. Cosentino reported that the Finance Department has sent out all the Commencement Awards, making sure awardees do not owe the College any funds. He noted that letters have been sent to the 2022-2023 Scholarship awardees and donors of scholarship funds have also been notified of the award selections.

Mr. Cosentino noted that the **Presidents' Circle Dinner invites have been mailed to area foundations and \$1,000+ donors and it is hoped that members of the Board of Trustees will attend the dinner as the Foundation's guests.**

Mr. Cosentino thanked trustees who attended the Alumni Awards event held at Prison City North on June 7th. It was a very successful event and included powerful presentations by awardees. Finally, Mr. Cosentino stated that letters will be going out this week to 160 prospective vendors for the December 2023 Craft Fair.
