Transfer Services

Transfer is a relatively easy process. However, students seeking specialized programs should choose their course of study at Cayuga very carefully in order to alleviate future difficulties. It is advisable to begin applying for transfer during the third semester and to begin the exploration process considerably sooner. Consultation is available from the College transfer counselor, the student's academic adviser and/or other faculty members.

SUNY Viewbooks

are available in the Student Development Center. A student may apply online to four SUNY units with one application at www.SUNY.edu. A New York State resident who is in the process of obtaining a Cayuga associate's degree and who is transferring directly to a SUNY baccalaureate campus

may apply to up to four SUNY units with a waiver of the \$40 per-unit application fee. Transcripts of grades must be sent from the Office of the Registrar at Cayuga directly to the undergraduate admissions office at the college(s) to which the student is applying. Requests can be made through self-service Banner. Students who have attended colleges in addition to Cayuga must request that those colleges also send transcripts.

For private or out-of-state colleges

visit the transfer college's homepage for more information. Two files of college catalogs are available on campus for student use, one in the Library and the other in the Student Development Center.

On-Campus Opportunities For Advanced Study

The following opportunities for advanced study are offered on the Cayuga campus:

- Bachelor's and Master's Degrees: SUNY Empire State College (Auburn unit)
- Bachelor's and Master's Degrees: Keuka College Accelerated Studies for Adults Program (ASAP)

Transfer Opportunities

SIGNED TRANSFER AGREEMENTS
