

# EMPIRE STATE COLLEGE AT CAYUGA

Start here. Stay Here. Succeed Here.

## Flexible Education Options

Whether you're looking to finish a degree, further your career, or simply enrich your life, SUNY Empire State College works to meet your needs. Their faculty is committed to your success and mentors will guide you each step of the way. You can design a program of study around your busy schedule, and learn in a format that best serves your availability.

- Redefining the classroom – a variety of learning opportunities can be customized to meet your preferred learning style:
- Guided independent study – this allows student to complete courses on their own schedule. Locally based mentors help define a program and meet with the student to evaluate their progress.
- Cross registration – more traditional classroom-based instruction is available through other accredited colleges and universities.
- Study groups – students working independently on the same subject can meet periodically to discuss and share their research findings.

- Online learning – Empire's Center for Distance Learning creates innovative solutions for students to study anytime, anyplace.
- Credit for Life Learning – college level experiences can be credited through transcript review and written evaluations.

## Programs of Study:

There are eleven programs of study that award either the Bachelor of Arts, Science, or Professional Studies
