

Liberal Arts and Sciences: Adolescence Education A.A.

This program is designed for students interested in transferring to a bachelor's degree program in Adolescence Education at a SUNY institution.

Degree Requirements

Please note that students in this program must complete one of the following concentrations to satisfy degree requirements: Biology, Chemistry, Earth Science, English, History/Social Studies, or Mathematics (see next page). Students must complete a minimum of 12 credit hours in one of the designated concentrations. In some cases liberal arts electives may need to be used to fulfill concentration requirements.

Transfer for Early Childhood or Education course credit will only be granted after transcript review by the Education Coordinator. General Education requirements must be met before the degree will be granted. For information on General Education requirements see catalog. A computer literacy requirement applies and may be satisfied either by completing designated courses or by passing a computer literacy test.

Transfer Information

Students planning to transfer to a SUNY four-year degree program in Adolescence Education should contact their adviser, the transfer counselor, or the Education coordinator. Please note: This program may not be appropriate for students interested in transferring to private colleges or universities; students should consult with their chosen institution to plan the most appropriate course sequence.

Additional Information

Note: Students may be required to have police and child abuse clearances and physicals before beginning field experience classes. Individuals with certain criminal histories will not be able to satisfy field experience requirements for the completion of the degree. In addition, students are required to submit to alcohol and/or drug testing upon request by either the College or any of the cooperating field placement sites. Students who test positive are subject to removal from the field placement and will therefore not be able to satisfy requirements for the completion of the degree. Refusal to submit to the test will result in the student being asked to leave the field placement site and may result in dismissal from the course and/or the program.

Other Cayuga Programs

Cayuga offers several additional programs for individuals interested in working with children in a variety of settings. Options available include Teacher Assistant coursework, CDA (Child Development Associate) coursework, Early Childhood Certificate, Early Childhood A.A.S., A.A. in Liberal Arts and Sciences / Childhood Education, and A.A. in Liberal Arts and Sciences / Humanities and Social Sciences with concentrations in Early Childhood or Education. For details consult the College catalog or contact the Education program coordinator.

Map your degree

Courses		Cr Hrs	Semester Completed	Grade		
First Semester						
ENGL 101	Freshman English I	3	_____	_____	* Although Spanish 111 and 112 will fulfill degree requirements and SUNY General Education requirements at Cayuga Community College, they may not satisfy requirements at the transfer institution. Students are advised to contact their prospective transfer institution before enrolling in these courses.	
	Concentration Elective	3	_____	_____		
	Foreign Language*	3-4	_____	_____		
PSY 101	Introduction to Psychology	3	_____	_____		
	Mathematics	3	_____	_____		
	Physical Education	1	_____	_____		
		16-17				
Second Semester						
ENGL 102	Freshman English II	3	_____	_____		** A combination of two science disciplines is recommended, for example Biology/Geology or Chemistry/Physics. At least one must be a lab science. Students are advised to contact their prospective transfer institution before enrolling in these courses.
	Foreign Language*	3-4	_____	_____		
PSY 216	Adolescent Psychology	3	_____	_____		
HIST 101 or 102	Western Civilization I or II	3	_____	_____		
	Concentration Elective	3-4	_____	_____		
		15-17				
Third Semester						
ENGL 201 or 202	World Literature I or II	3	_____	_____	† See General Education requirements for The Arts, college catalog.	
	Mathematics or Science Elective**	3-4	_____	_____		
	Health	1	_____	_____		
	Physical Education	1	_____	_____		
	Liberal Arts Elective	3	_____	_____		
	The Arts Elective†	3	_____	_____		
	Computer Literacy course or Elective	1	_____	_____		
		15-16				
Fourth Semester						
HIST 201 or HIST 202	US History I US History II	3	_____	_____	†† EDU 201 and 203 must be taken concurrently. Credit for EDU 201 is contingent upon successful completion of EDU 203.	
SOC 110	Race and Ethnicity	3	_____	_____		
	Liberal Arts Elective	3	_____	_____		
	Science Elective**	3-4	_____	_____		
EDU 201	Foundations of American Education††	3	_____	_____

Adolescence Education A.A. CONCENTRATIONS

Students in the Liberal Arts and Sciences: Adolescence Education A.A. program (see previous page) must select one of the following concentrations to complete degree requirements: Biology, Chemistry, Earth Science, English, History/Social Studies, or Mathematics. Curriculum requirements for each are listed below.

Note:

- You must complete a minimum of 12 credit hours in one of the designated concentrations.
- When planning your schedule, carefully note prerequisites, course sequencing, and availability of courses.
- To plan the most appropriate course selection, you should consult with your intended four-year transfer institution.

Biology Concentration

The following courses must be completed:

BIOL 103 and 104
CHEM 103 and 104

Chemistry Concentration

The following courses must be completed:

CHEM 103, 104, 207, and 208
MATH 108 and 201

Earth Science Concentration

The following courses must be completed:

CHEM 103 and 104
GEOL 110 and 111

English Concentration

The following courses must be completed:

ENGL 101, 102, and 209
Choose one: ENGL 203, 204, 205, 206, 235, 245, or 247

History/Social Studies Concentration

The following courses must be completed:

HIST 201 and 202
Choose two: ECON 201, ECON 202, PSCI 102

Mathematics Concentration

The following courses must be completed:

MATH 108, 201, 202, and 203
