

# INFORMATION LITERACY MODULES

As the Library's access to information resources has expanded, so has the variety of options available for information literacy instruction. To teach a broader range of research-related skills, and to focus in more depth on concepts, the Library has designed its information literacy instruction in module format. This format standardizes content, and allows for more valid assessment of student learning.

To design an instructional plan that best meets your needs, and to schedule your class with for instruction, please contact:

Margaret Devereaux — Auburn campus (ext.2291)  
Judy Campanella — Fulton campus (ext. 3017)  
Kathy Sipling — Fulton campus (ext. 3073)
