## A LETTER FROM THE PRESIDENT AND EXECUTIVE DIRECTOR

### THE CAYUGA COUNTY COMMUNITY COLLEGE FOUNDATION, INC.

Dear Friends and Supporters,

Thirty-nine years ago the College Foundation started with an initial corpus of \$1,572 and we are happy to report that at the end of our fiscal year on August 31st, 2021 we have grown the endowment to over \$18 million, substantially up from last year's \$14.8 million. This has been done through careful fiduciary management by our Board of Directors and Staff. At the same time, we continually award hundreds of thousands of dollars annually to help with the work of our faculty, staff and most importantly, our students, who receive hundreds of thousands of dollars in support to further their academic work at Cayuga.

While we all continue to deal with the challenges posed by COVID-19, the Foundation continues its long tradition of investing in our College, students, faculty and staff as showcased in this Annual Report. The investments range from our commitment to scholarships and commencement awards to programs and projects that directly help our students large and small. Whether it be underwriting the inaugural Cayuga Film Festival and helping the Harlequin Theatre Group host a reunion, to purchasing a refrigerator for the student food pantry, or the investment in a new pitching machine for our baseball team, the Foundation is committed to making a difference.

While work continues to bring to completion our investment in the Advanced Manufacturing Institute on the Fulton Campus and the new Boston Steinway Piano has arrived on our Auburn Campus to help with our Music Program, the Foundation made several major decisions in the Summer of 2021 that, we believe, will make an even greater difference for Cayuga and our communities. Among the investment decisions made are:

- Created a \$20,000 Challenge Grant to raise funds for our Student Emergency Fund (SEF). The Fund will assist students in need, especially during the continuing pandemic, where other funds may not be able to help with items such as childcare, housing, health/dental care and/or transportation.
- Increased by 25%, the amount of money that is available from the Foundation Endowment, based on its growth, for scholarships for the 2022-2023 Academic Year. The College's Student Financial Services office is packaging scholarships with this increase to recruit more students to come to Cayuga.
- Increased by 50%, the funds available for the next incoming group of Presidential Scholars for 2022-2023, which will cover the full cost of tuition after other scholarships, Pell and TAP are accounted for. The hope is to continue to assist the College in recruiting top academic high school students from Cayuga and Oswego counties who also show a commitment to their extracurricular community activities.
- Approved our next major capital investment with funding an HVAC system for Spartan Hall and also updating the HVAC system at Bourke Memorial Library to make it more efficient and less costly to maintain. This investment of \$225,000 will allow the College to better serve our students, and, as one of our Board Members made it clear at their meeting, " ... be of great benefit to the greater Auburn/Cayuga County Community". This investment also leverages State funds to allow for this large project. We hope that it can be installed before the start of the 2022-2023 Academic Year.

All of the above only happens with the continued support of our donors, the local philanthropic community and area businesses who continue to assist our faculty, staff and students. On behalf of the Foundation Board, our Staff and Cayuga Community College, we want to thank you for your continued support.

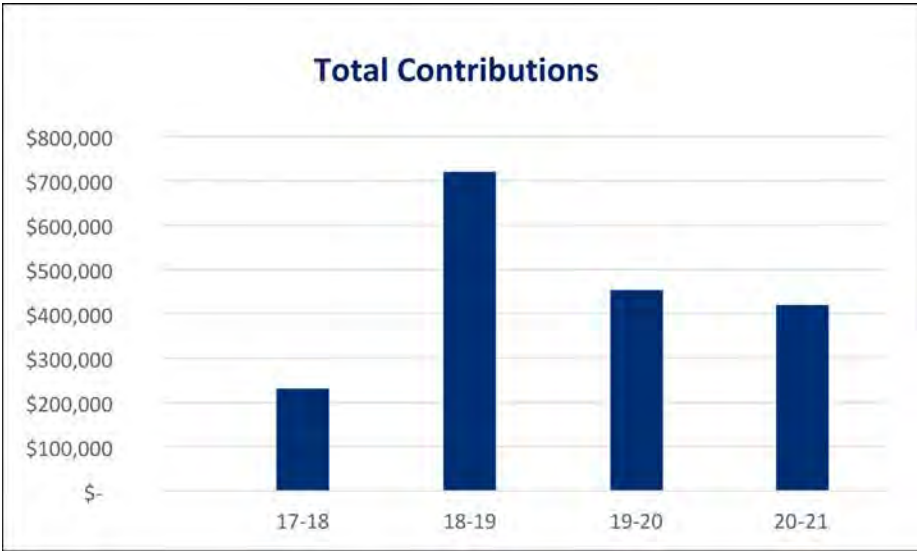

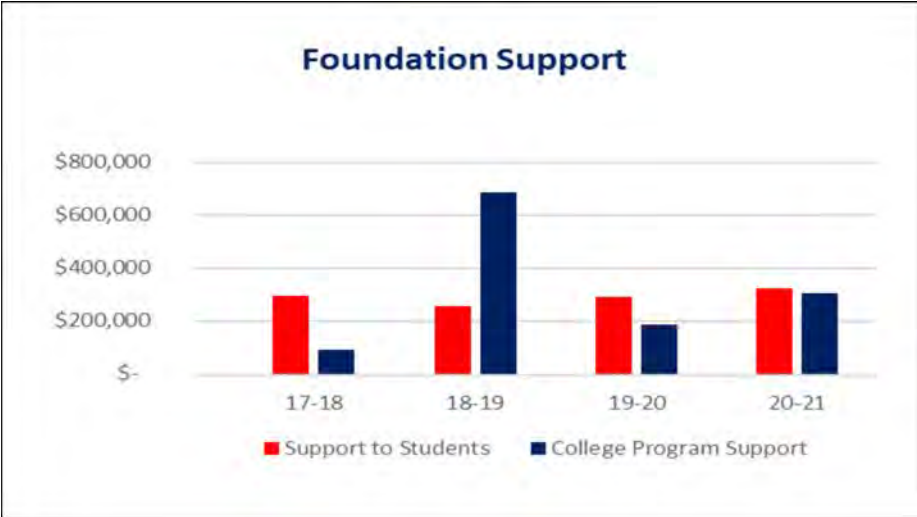

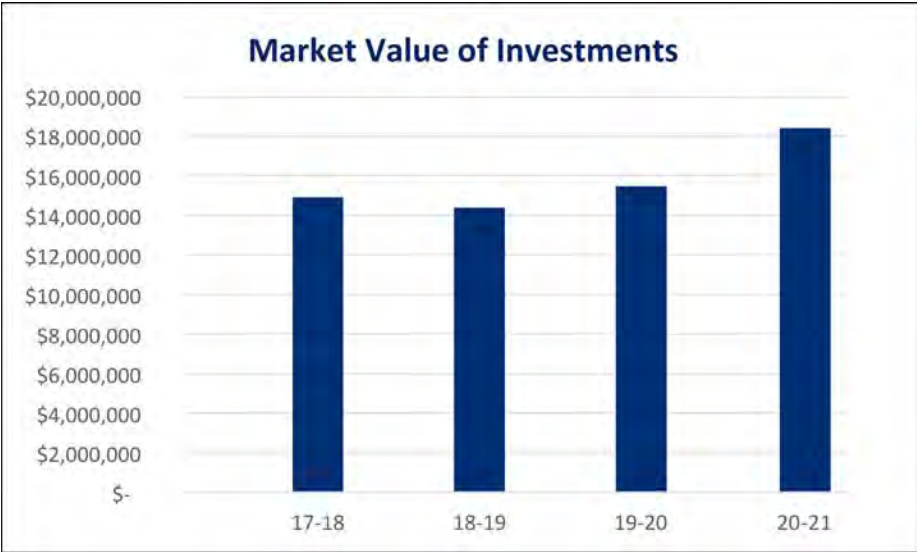

Warmest regards,  
John Latanyshyn  
*Board President*

Guy Thomas Cosentino  
*Executive Director*

## MISSION STATEMENT

The Cayuga County Community College Foundation, an independent entity, raises and manages funds for Cayuga Community College and its mission.

## 2020 – 2021 DONOR LIST\*

We have made every attempt to list donor information accurately. We apologize for any errors or omissions and ask that you please contact us at [alumni@cayuga-cc.edu](mailto:alumni@cayuga-cc.edu) with any corrections.

**Alaina Bates**

Recipient, Holy Family High School  
Scholarship, Student Trustee  
Class of 2021

*"It is hard to find words that express my gratitude towards members of the CCC Foundation and donors that work diligently to make a variety of scholarships available to Cayuga students, like myself. One of those being the Holy Family High School Scholarship. This scholarship eased my anxiety and allowed me to focus on my studies, instead of my tuition. I will always be grateful for this opportunity."*

Cayuga County Legislator and Cayuga Trustee Trish Ottley Kerr '97, College Foundation Associate Director of Development Ginny Kent '82, event organizer Dr. Linda Townsend '74, and Cayuga County Sheriff Brian Schenck join Vietnam Veterans of Chapter 704, including Nicholas C. Valenti '66.

## REMEMBERING THOSE WHO SERVED

On August 9th, the Wreaths Across America Mobile Education Exhibit came to Cayuga Community College's Auburn Campus. The mobile museum included presented short films and exhibits that shared the stories of courageous servicemen and women. The day included a ceremonial pinning of local veterans. Former Alumni Association Board Chair, Dr. Linda Townsend '74, who has been involved in Wreaths Across America for many years, coordinated the event details with Prof. Theresa Miasiazek and the Criminal Justice Club. Together with the College, the College Foundation partnered with Vietnam Veterans of American Chapter 704 of Cayuga County to bring the Mobile Exhibit to Campus.

The College Foundation has partnered in the past with our local veterans. In 2017 the Foundation, with the College, hosted a community discussion of Ken Burns' PBS series on Vietnam with WCNY, the local PBS station, Dr. Townsend and Vietnam Veterans of America Chapter No. 704.

Guy Cosentino, Executive Director of the Cayuga County Community College Foundation, and his son, Samuel Cosentino, in the Mobile Education Exhibit.

## CAYUGA CULINARY INSTITUTE GRAND OPENING

In July, the community celebrated the new Cayuga Culinary Institute with a ribbon cutting, attended by state dignitaries including then Lieutenant Governor Kathy Hochul (pictured below with Culinary Institute student Ashley Calkins). Members of the Foundation Board joined

Cayuga President Dr. Brian Durant and Cayuga Trustees in welcoming this important program to our curriculum. The Foundation helped sponsor the event and presented the inaugural cohort of students with aprons and a set of chef knives they will need for the program.

Pictured above (l-r) are: Foundation Assistant Secretary Patti Callahan, Ahtatiana Duncan-Palombo, Martha Finewood, Jene Smith, Dr. Durant, Abigail Conner, Ashley Calkins and Foundation Executive Director Guy Cosentino.

## THE 88 KEYS CAMPAIGN CONCLUDES WITH THE DELIVERY OF A BOSTON STEINWAY GRAND PIANO

On December 7th, 2021 the College's Music Program was able utilize a newly delivered Boston Steinway Grand Piano, at their annual Holiday Concert, through the generosity of donors to the 88 Keys Campaign that was a partnership between the Foundation and College. Working with the College's Professor of Music and Recording Arts, Michael Cortese, the Foundation was able to help raise funds to replace a piano that had served the College well for half a century, but had passed its usefulness for educational and performance purposes. The Foundation appreciates the support that we had from our donors, who gave to this effort.

## SHOWING OFF THE TALENTS OF OUR STUDENTS AND ALUMNI AND RECRUITING NEW STUDENTS

The Cayuga Community College Foundation was a sponsor of the First Annual Cayuga Film Festival, produced by Cayuga Community College Media Communications in collaboration with Auburn Public Theater. The Festival highlights the work from high school, college and emerging young filmmakers in New York State.

“The Cayuga Film Festival gives recognition to high school and college student film and video makers throughout New York State,” said Executive Festival Director Steven Keeler. “It enables the Media/Telcom Department to reach out to high school students and their teachers and counselors and provide them with valuable information about how Cayuga’s Media programs can be their college destination”. Keeler is Chair of Cayuga Community College’s Media Communications and Telecommunications programs.

Juliette Zygarowicz, a 2017 Cayuga graduate in Media Production, was Festival Director. Ms. Zygarowicz is also a graduate from Ithaca College and has written and directed three award-winning student short films that have been screened in Brooklyn, Philadelphia and Los Angeles. She is joined (left) by Carey Eidel, Executive Director of Auburn Public Theater and Cayuga Prof. Steve Keeler, Executive Director of the Festival.

For the Film Festival’s inaugural year, over 50 submissions were screened and nine winners announced in categories that included narrative, documentary and animated short films. “The festival provides Cayuga

students with exposure to the work of new and emerging filmmakers and with the encouragement they need to continue their film and video studies at the bachelor’s level,” said Keeler. The 2022 Cayuga Film Festival is currently open for submissions.

## PTK Students Make A Difference

For the last two years the College Foundation has helped to underwrite the student initiation fees for Phi Theta Kappa. In the Fall of 2021 over fifty students have joined the PTK National Honors Society. The Foundation awarded seventeen scholarships for the membership dues for students in need.

The Foundation is delighted to assist our students to get into PTK, that allows them access to \$250 million in scholarships for transfer students who choose to continue their education beyond Cayuga. Just as importantly, the Foundation is happy to give access to PTK that also sees our students help our communities. The PTK Club raised money to donate holiday gifts for families in need to Friends Helping Friends in Auburn this year. In December 2021 students assisted Auburn Habitat for Humanity at the Wall Street house they are renovating for a deserving couple. Included in the photo from the worksite are Mechanical Tech students Connor Kiernan (far left) and Philip McDonald (far right) after a day of work, with future Habitat Homeowners Grant and Nicole and Habitat Co-President Kip Coeper.

## CAYUGA’S NURSING PROGRAM EARNS TOP GRADE FROM NURSING SCHOOLS ALMANAC

In November 2021 Nursing Schools Almanac rated Cayuga Community College’s Nursing the top associate’s degree program for nursing in New York. In their online ratings, Nursing Schools Almanac rated Cayuga’s program the best among almost 70 associate degree programs in New York. The ratings are based on an evaluation of each college’s record of graduates passing the National Council Licensure Examination for Registered Nurses (NCLEX) on their first attempt. In their statewide rankings, Nursing Schools Almanac tracked NCLEX pass rates for most colleges from 2011 through 2020. Aspiring registered nurses are required to pass the NCLEX before they begin practicing.

Of associate degree programs in New York, Cayuga’s pass rate of 98.1 percent for first-time test-takers was the top score. From 2011 through 2020, 405 of the 413 graduates from Cayuga’s program passed the NCLEX on their first try. Cayuga’s two-year Nursing program emphasizes professional standards, clinical judgments based on evidence-based practice, patient-centered care and advocacy, leadership and communication. Students experience a variety of clinical settings, preparing them to provide care for patients of any age.

### NURSING STUDENTS BENEFIT FROM SCHOLARSHIPS

For the 2021-2022 Academic Year, Cayuga County Nursing Scholarships were awarded to first year nursing students from Cayuga County. The funds will offset the cost of their education through tuition aid, as well as related educational expenses for labs and clinical requirements. This funding was made possible by the D. E. French Foundation and the Stanley W. Metcalf Foundation.

The recipients of the Cayuga County Nursing Scholarships are:

- |                      |                  |
|----------------------|------------------|
| Mikhayla Brown       | Abby Murphy      |
| Sheena Brown         | Connor Murphy    |
| Mackenzie Cunningham | Lauren Patti     |
| Allison Flett        | Jenny Pickard    |

| Ashley Lytle         | Scott Wheat      |

Annie Knight  
Recipient of the Cayuga  
Nursing Scholarship  
Class of 2023

*“Thank you so much to the D. E. French and the Stanley W. Metcalf foundations for the generous scholarship. This scholarship will allow me to finish my nursing degree at Cayuga Community College and help me to relieve some of the financial responsibility so that I can focus on my nursing education. It is an honor to be a recipient of this scholarship and I will apply myself and be the best nurse that I can be. With this financial award I plan to meet and exceed the requirements of the Nursing Program. Thank you for all you do.”*

### PLANNED GIVING

Planned Giving, or Legacy Giving, may allow you to make a meaningful and lasting legacy for generations of students to come. There are a variety of ways to make planned gifts to the Foundation that will not deplete lifetime assets, and in some cases, can furnish additional income and significant tax deductions. Ways to include the Foundation in your estate plans include bequests, life insurance, charitable annuities, retirement funds, trusts and real estate.

Planned giving helps ensure the future and growth of Cayuga Community College by securing a base of permanent support for College initiatives. Talk to your financial advisor, or contact the Foundation Office at (315) 294-8587 or [www.cayuga-cc.edu/foundation](http://www.cayuga-cc.edu/foundation), to start the conversation.

**FRED L. EMERSON FOUNDATION  
 ACADEMIC SCHOLARS**

The Fred L. Emerson Foundation Academic Scholarships are for high school seniors in Cayuga County who show promise of success in college. An Emerson scholar candidate demonstrates outstanding community involvement, leadership, and service. Students must be from high schools within Cayuga County, with a high school average of 75% or above. The Emerson Scholarship covers both tuition and fees, providing the opportunity for the students to focus on their education. These students make Cayuga a stronger institution for everyone.

**2020-2021**

- Abigail Love
- Amber Pidlypchak
- Donna Todd
- Sonja Weston
- Gracee White

**2021-2022**

- William Coleman

**CAYUGA PRESIDENTIAL  
 SCHOLARS**

The Cayuga Presidential Scholarship are for outstanding students from high schools in Cayuga and Oswego counties, including private schools. Students from the Jordan-Elbridge, Skaneateles and Red Creek school districts are also eligible. These Scholarships are available to all students who graduate in the top 20% of their high school as long as the student maintains a 3.0 GPA and attends full time. All Cayuga Presidential Scholarship recipients can complete the first two years of their college education without spending a dime in tuition. The Cayuga Presidential Scholarships reward students who participate in honors programs, student government and other leadership positions. These students serve to raise the academic bar in every classroom, serving as examples for their peers.

**Helena Evans-Murphy**  
 Cayuga Presidential Scholar  
 Class of 2022

*“My parents already supported my brother through college, and my sister will be attending College in the future, so the scholarship was important financially. It was also extra motivation at Cayuga, because to receive the scholarship you need to keep your grades up. I struggled some with online learning during the pandemic, but the scholarship requirements pushed me to keep trying and to do extra work to keep my grades where they needed to be. I don’t think I could have graduated early with out that extra motivation.”*

**SCHOLARSHIPS**

(Non-Endowed Named Scholarships)

A minimum gift of \$2,500 establishes a named non-endowed scholarship. You may also choose to continue the scholarship with annual donations. Gifts can also be made to the Foundation’s General Scholarship Fund.

**Endowed Scholarships**

You can create a named endowed scholarship fund for Cayuga Community College students. An endowed scholarship currently requires a minimum contribution of \$25,000. Ways to reach this minimum include one-time cash gifts, stocks and gifts given over a period of time, among many other plans. The Foundation will be pleased to work with you on a payment schedule that allows you to establish a scholarship fund.

## FACULTY SUMMER FELLOWSHIPS

Special Projects and Development Grants provide faculty and staff members the opportunity to attend conferences, explore possible new programs and pursue professional development in their fields. Recently funded projects include:

**Danielle Moran and Delicia Weatherstone**, Professors of Nursing, completed a project entitled, “Integrating NextGen NCLEX into the classroom setting using case studies and Docu-care”. As a result of this project, they learned about the major changes to the NCLEX exam, identified

software and a plan to implement these new question types in the course and develop new teaching strategies to implement in the classroom setting to enhance the student’s clinical judgment skills and help them pass the new NCLEX exam. The 2021 Fall incoming nursing students will be the first cohort to take this new exam, which is a major shift from the current exam. Registered nurses are required to pass the NCLEX before they begin practicing.

**Melissa Johnson**, Associate Professor of Art, completed a project entitled, “Sustainable Art Materials and Practices”. She studied natural dyeing with fiber artist, author and leader in natural dyeing, Katrina Rodabaugh and attended an individual intensive training with

Kirsten Kurtz, MS, soil artist and Manager of the Cornell University Soil Health Laboratory. In addition to her own learning as an artist, Prof. Johnson will be able to incorporate these experiences into her teaching. She is able to replace chemically-based pigments with natural alternatives, thereby encouraging students to be aware of the impact of art supplies on the environment. She is developing a visiting artist lecture and demonstration with Ms. Kurtz. This will be an excellent match to the following courses: “Special Topics – Contemporary and Sustainable Art Practices” and “Art 104 – Painting 1”.

## Helping Our Students Day-to-Day

The College Foundation recently purchased a refrigerator for the Cayuga Cupboard which allows the donation of foods requiring refrigeration or freezing. Cayuga Cupboard is a food pantry that helps meet the needs of students on both the Auburn and Fulton campuses. It is overseen by the Student Faculty Association and the Faculty Coordinator is Dr. Jerimy Blowers ‘93, Wellness Coordinator for the College. The Student Government Officers and Student Activities Board also help operate the Cupboard.

The addition of the refrigerator “enabled us to do so much more and give so much more to our students,” said Dr. Blowers. “I think that one of our students said it best. I was explaining how the refrigerator was a recent gift of the Foundation and the Board had provided funds for the entire project. She turned to me before leaving and said, ‘You were right. We are a family. I cannot believe that people care so much about us...’. She had tears in her eyes.”

Above, CCC Foundation representatives join Cayuga Cupboard Pantry Wellness Coordinator Dr. Jerimy Blowers ‘93 and students who help coordinate the pantry. (l to r) Kevin LaMontague; Board Treasurer, Guy Cosentino; Foundation Executive Director, John Latanyshyn; Board President, Ginny Kent ‘82; Foundation Associate Director, Kyle Weisman; Cayuga Student Trustee, students Cassandra Baker and Kareem Sanders, Dr. Blowers, and College Trustee John Klink ‘66 and Board Member Doug Kinney ‘80.

**MARTIN, SMITH, WHITE  
 RECEIVE 2021 ALUMNI AWARDS**

The COVID-19 pandemic may have prevented the traditional Alumni Awards celebration this year, but it didn't deter the Alumni Association Board from announcing its 2021 award winners this spring.

The 2021 recipients of the annual award are **Gerald Martin '73, Robert Smith, Esq. '77, and Thomas White '92.** The recipients will be honored by the Alumni Association at an upcoming celebration.

**Gerald E. Martin '67**

Mr. Martin graduated from Auburn Community College in 1967 with an associate's degree in Business Administration, and from SUNY Brockport with a major in economics and a minor in history.

When he realized teaching was his true calling, he earned his Master of Science in Education from SUNY Cortland. His career spanned more than 40 years, most of it as a beloved history teacher at Auburn High School. He also taught advanced coursework in history and political science at Syracuse University and SUNY Oswego, as well as history courses for Cayuga.

He is credited with establishing the Auburn High School History Club, and produced history-themed plays and trivia shows on the school's public access television station. Throughout his career, Mr. Martin organized several trips with students, parents and faculty to cities of historic significance including Boston, New York City, Philadelphia, Washington, D.C., and Williamsburg.

"Gerry Martin has taught thousands of students, giving many their first exposure to higher education," said

Guy Cosentino, Executive Director of the College Foundation, who nominated him. "While he has been a great educator, he can also be

known as the 'Great Influencer.' His focus was always on his students and getting them to do their best. Always professional in dress and address, he respected his students and his profession. In return, his students not only respected him, but it can easily be said, many adored him."

He's received several awards in his career, including the Walmart Teacher of the Year, the Cayuga County Bar Association Liberty Bell Award, and was named a Cornell University Merrill Presidential Scholar Outstanding Educator in 2005.

**OUR MISSION**

The Auburn/Cayuga Community College endeavors to promote and enhance relations among alumni, the College community and the community-at-large.

## Robert J. Smith, Esq. '77

Mr. Smith earned his associate's degree in Criminal Justice. He is a 1979 cum laude undergraduate of SUNY Brockport and received his law degree with honors from South Texas College of Law in 1982. He has been a partner at Costello, Cooney and Fearon since 1988 and was elected the firm's Chief Executive Officer in 2008, a position he still holds.

Mr. Smith has successfully tried more than 50 cases to jury verdicts in both state and federal courts. He has lectured and written extensively on issues involving civil trial law, including several copyrighted articles.

Mr. Smith is admitted to practice before all New York State Courts and the Federal Court for the Northern and Western Districts of New York State.

He is a Fellow of the American College of Trial Lawyers, the American Board of Trial Advocates and the International Association of Defense Counsel. He has been voted "Lawyer of the Year" by Best Lawyers several times.

"Bob Smith has had an outstanding legal career and has been a magnificent supporter of Cayuga Community College and its Foundation," said Guy Cosentino, who nominated Smith. "He's a pillar of the Central New York legal community, and he has a specialty in helping area not-for-profits, large and small, navigate the courts and regulatory agencies."

## Thomas W. White '92

Mr. White earned an associate's degree in both Broadcasting and in Broadcast Technology in 1992. Upon graduation, he started work as a master control operator for Newchannels, which evolved into Time Warner and then Spectrum, eventually being named Director of Operations for Time Warner Sports. He has done freelance work for ESPN, FOX, CBS, NBC MLB and other networks over the years. In 2017 he became the broadcast engineer for athletics at Syracuse University and helped initiate the new ACC Network that currently broadcasts sports events for the ACC Conference.

Mr. White is a member of the CCC/Telcom Advisory Board. He has mentored numerous students and graduates, providing internships and help establishing their careers. He is a frequent visitor to the College and serves as a guest lecturer.

"He is one of the most respected engineers in sports broadcasting in the United States," said his nominator, Professor Steve Keeler of Cayuga Community College. "Tom is a great example of how a Cayuga graduate can have a successful career with an associate's degree from the College, have a big impact on his chosen career and make significant contributions to Cayuga Community College."

Established in 1993, Alumni Awards are presented annually to Auburn/Cayuga graduates who have made outstanding contributions in vocational or artistic achievement, volunteer or public service, or assistance to the College. The CCC Alumni Association is proud to add these individuals to the roster of Alumni Award recipients, recognized on a plaque in the College Rotunda on the Auburn Campus. For more information and to nominate an alumnus for a 2022 Award, complete the form at [www.cayuga-cc.edu/alumni/](http://www.cayuga-cc.edu/alumni/) by February 24, 2022.

## Isaac Holden Cayuga Presidential Scholar Class of 2023

“Thank you for selecting me to be a recipient of a Cayuga Presidential Scholarship for the Fall Semester of 2021. This has made my future career goals a greater possibility. This has also lifted the financial burden from me and my family and will make my college experience even better.”

## THREE GREAT LOSSES

During 2021 the Foundation lost three of its great supporters and former Foundation Board Members. The passings of Rick Emanuel, Dr. Arthur Foresman and Jack McLane, were not only losses for their families, but also for our community. They were major cheerleaders for Cayuga Community College as our Board Members, giving dozens of hours annually to the Foundation's efforts. Two, Rick Emanuel and Jack McLane, were also chairs of our Board and led our organization with dedication, humor and a basic desire for Cayuga's students to thrive. We will miss their commitment, grace, warmth and community spirit.

### Rick Emanuel

Rick Emanuel of Elmira, died unexpectedly on April 15th at his home. He was 55 years old.

Mr. Emanuel was publisher of *The Citizen*, Auburn's hometown newspaper, from 1998 through 2008 and returned in 2013 to serve as interim publisher. He also worked as publisher at the *Post-Star* in Glens Falls and the *Star-Gazette* in his hometown of Elmira. At the time of his passing, he was senior director of sales for Gannett/USA Today Network.

While in Auburn, as in the other communities he lived, he was an active volunteer and a champion of several initiatives. "I spent time working on community projects not because

I was told to but because I always wanted to better the place where my children were growing up and my family lived," Emanuel wrote in a 2016 column he contributed for *The Citizen's* 200th anniversary.

Mr. Emanuel served as President of the Cayuga Community College Foundation in 2010. "He was always pushing Auburn and Cayuga County to do better," said Guy Cosentino, Executive Director said. "He was just a compassionate soul."

Mr. Emanuel is survived by Kelly Turk Emanuel; daughter, Alexandra Ruggiero with husband, Nicholas; son, Eric Emanuel and grandchildren Luca and Nico Ruggiero.

### Dr. Arthur H. Foresman, MD

Arthur H. Foresman, M.D. of Auburn, died on December 8th, 2020 at the age of 87. Dr. Foresman was a Director of the Cayuga County Community College Foundation beginning in the late 1990's, and serving through 2004.

Dr. Foresman was a graduate of Franklin and Marshall College, and Temple University Medical School. He was a member of Phi Kappa Tau Fraternity and Phi Chi Medical Society and AOA, the Medical Honor Society. In 1965, he started his dermatology practice in Auburn, joined by his daughter Pamela L. Foresman, M.D. in 1993. Dr. Foresman retired in 2002.

In addition to his service to the Foundation, Dr. Foresman was president of the Cayuga County Medical Society, Cayuga County Boards of Health and Mental Health, Board Member for the Neighborhood House, the YMCA, Cayuga County Arts Council, a deacon and elder of Westminster Presbyterian Church, and a member of the Kiwanis Club.

Dr. Foresman was predeceased by his wife of 64 years, Joanne Philbrook Foresman and his son, William H. Foresman, M.D. He is survived by three children, Jeffrey S., Pamela L. Foresman Brundage (Brian), and Robert M. (Ludmila); and by 10 grandchildren.

The Foresman Family have been supporters of Cayuga Community College for many years, and established the Foresman Family Scholarship in 2006. This provides an annual scholarship to an incoming freshman.

"Dr. Foresman and his family have been strong supporters of Cayuga and its students. Both he and his wife, Joanne, were great cheerleaders for the College and for our community.", said Guy Cosentino, Executive Director of the College Foundation.

## IN MEMORIAM

# Cayuga County Community College FOUNDATION

## John McLane

Former Cayuga County Community College Foundation President John “Jack” McLane passed away on February 20, 2021. He served on the Foundation Board from 1998 to 2007, serving in a variety of capacities.

Mr. McLane was a graduate of Mount Carmel High School, and received a Bachelor of Arts Degree from Niagara University and his Juris Doctor Degree, with honors, from Columbia University Law School in 1968. He joined in the private practice of law with his father-in-law, Edward T. Boyle and partners, in 1970. He practiced law with the firm, which later became Boyle and Anderson, P.C. for more than 50 years.

His community service and charitable work included Cayuga County Big Brothers, American Red Cross, YMCA-WEIU, Cayuga County United Way, Central New York Planning and Development Board, and Schweinfurth Memorial Arts Center. At the time of his passing, he was President

of the Columbian Foundation and officer for both the D.E. French and Stanley Metcalf foundations. Foundation Executive Director Guy Thomas Cosentino said “Jack McLane was not only the President of the Foundation Board, but a great supporter of Cayuga, professionally as well as personally and philanthropically, with his wife Kathy. He was a cheerleader for Cayuga, knowing it was a true community asset.”

During his tenure on the College Foundation Board he not only served on the Executive and Membership committees, but was also a member of the Auburn Campaign Steering Committee.

Mr. McLane received many professional awards and recognition from his peers during his career, including the United States Court Achievement Award and was listed in “Who’s Who in American Law.” He was annually chosen by his peers as one of the “Best Lawyers in America” from 2013 to 2021, and was also chosen to serve on the Merit Selection Panel for the Selection and Appointment of United States Magistrate Judges for the U.S. District Court.

He is survived by his wife of 52 years, Kathy (Boyle) McLane; children Daniel McLane and his wife Heather; Molly McLane and her husband Christopher Valli; Douglas McLane and his wife Celia; and Mary Claire Pineau and her husband Mark; as well as 12 grandchildren.

## SPARTAN BASEBALL GETS PITCHING MACHINE

The Cayuga Community College Spartans Baseball Program was the recipient of the generosity of Class of 1985 Cayuga alum Scott Stevens of Omaha, Nebraska. Through Mr. Stevens’ donation of \$2,500 the College purchased a Pitching Machine to assist them in batting and fielding practice. Cayuga Baseball Head Coach TJ Gamba said he’s known Mr. Stevens for many years and he’s grateful for this gesture in support of the team and the Cayuga Athletic Program. Pictured at right is **Brendan L. Williams ’21**

*“I received the Presidential Scholarship after deciding to attend CCC once I graduated from Auburn High School. I’m so thankful to have gotten this scholarship because it has allowed me to focus more of my attention on school, rather than having to work constantly in order to pay for said schooling. It’s also allowed me the time to be able to join extracurriculars, such as editing the school newspaper. This scholarship has allowed me to accomplish all of my goals without the added financial stress.”*
