

HONORS STUDY

HONORS STUDY AT CAYUGA

A GPA of 3.0 qualifies students to enroll in Honors Study microcredentials offered by Cayuga Community College. Honors Study students engage in research, leadership and service that extends beyond the classroom. The opportunity to participate in Honors Study enhances your academic transcript and professional resume, whether you plan to transfer or seek employment.

A microcredential verifies, validates, and attests that you achieved specific skills and/or competencies. Microcredentials are offered online, in the classroom, or via a hybrid of both. There are currently two microcredentials for honors: Honors Critical Thinking and Honors Leadership.
