

# STUDIO ART AND DESIGN AS

## STUDIO ART AND DESIGN

Cayuga can help you prepare for a broad range of careers in the arts. The program is designed for students who plan to transfer into Studio Art and Design programs at four-year colleges and universities, as well as individuals who are interested in working in various art and design-related positions.

The program provides students with a solid liberal arts background, and a comprehensive foundation in Studio Art and Design, starting with an understanding of the elements and principles of art and design. Students are encouraged to develop their own studio practice through a balance of technical skills, problem-solving strategies, conceptual development, and experimentation. Students learn about the practical application of working in the field of art and design.

## Seamless Transfer

Cayuga has transfer agreements with:

Cazenovia College  
Ithaca College  
SUNY Oswego  
SUNY Binghamton  
SUNY Empire State College  
Wells College

Art Educator

Math, Science and Behavioral/Social Science Electives are designed to fulfill the following general education requirements: Mathematics, Natural Science, Social Science, and American History/Western Civilization. Please consult with an academic advisor for the appropriate courses.

General Education Requirement or Free electives are designed to fulfill the remainder of the College's general education requirements when necessary.

## Concentrations

Students complete traditional art foundation courses (drawing, painting, design, and art history) and explore studio disciplines in which they may concentrate upon transfer to a four-year institution. Emphasis is placed on the student's creative and aesthetic development and the professional application of formal design skills.
