3.2 Governance & Planning Committee (continued)
3.2.2 Approval to Revise the Audio Production AAS Degree to Create Concentrations (continued)

Mr. Camardo seconded the motion. He asked about the unit cost of delivery of these concentrations. Dr. Cantor indicated that a unit cost is not calculated, but that there would be no incremental cost to deliver these courses/sections. Cost is determined by the salary of the instructor and the number of students enrolled. Dr. Durant summarized by indicating that cost is related to enrollment and the determination to run the courses is driven by our financial responsibility in analyzing degree requirements, transfer requirements, programmatic evaluation, and enrollment patterns. The discussion will be tabled until after the Add/Drop period later this fall.

4.0 REPORTS

4.1 President’s Report

4.1.1 President: Dr. Durant expressed his gratitude and appreciation to everyone in preparing for the fall semester. He provided the following highlights:
- We wait until late September to evaluate and reflect on where we are.
- We all believe in the intentionality of what we are doing.
- We are still waiting on final base aid funding decisions from SUNY.
- We have a new Chancellor and look forward to working with him and all at System Administration.
- The decision has been made to cancel the Craft Fair this year.
- The Black Lives Matter movement and all inclusivity issues will take top priority this fall. We have made a proposal to create a scholarship for individuals with diverse backgrounds. Other initiatives will be explored, as well. We’ve had tremendous support from the Foundation. The Chief Diversity Officer continues to work on issues of recruitment and enrollment. Dr. Van Buskirk applauds all for their dedication to social justice issues.
- Dr. Durant thanked the County Legislature for approval of the College budget and the Successor Agreement to the Faculty Contract. The County thanked us for not requesting an increase in sponsor contribution given the County’s pandemic-related issues.

4.1.2 Provost and Vice-President for Academic Affairs: Dr. Cantor’s report was included in the packet.
- We are working through COVID-related issues and the impact of the master schedule. Tightening up the section offerings has required making some tough calls. Different delivery modes and modifying offerings keeps us lean and mean while maintaining our academic integrity.
- We are listening to students’ experiences through the pandemic, including how their loss of employment impacts their ability to handle school. We’ll be working on more policies with Student Engagement, Advisors, and Financial Aid to assist with retention and completion efforts. We'll handle them case-by-case as a team.

4.1.3 Acting Chief Financial Officer Report: Marie Nellenback’s report was included in the packet.
- In response to Mr. Camardo’s question, we have seen a 20% cut in state aid for July and will likely see a cut in rental aid, as well. Dr. Durant stated that there has been no official word from SUNY. We are scenario building to be ready to handle whatever is necessary. We must assume that all state aid is in play. We may use CARES act funding to offset any short fall in state aid.
- Congratulations to Doug Kinney on his promotion to Director of Facilities and Public Safety.
- Welcome to Karen Bastedo who will be working in Accounts Payable.
- New fiscal year starts on Tuesday, September 1st.
4.1.4 **Vice-President for Student Affairs:** Mr. Rosenthal’s report was included in the packet. He highlighted the following information:

- It has been a surreal opening. Students are being smart about how they contact campus services. They have been using the new Enrollment Checklist.
- Our new Online Orientation is up and running. Thanks to Dr. Cathy Dotterer and Norm Lee.
- Mr. Rosenthal recognized the following retirements: Sue Dungey, Doug Hart, Bob Frame, and Greg Szczepanski.
- Chair Brown asked about athletics. Dr. Cantor stated that all fall athletics have been cancelled. Coaching staffs will stay on to engage and support athletes. Other decisions have not been made; all options are open.
