Summer TAP is very limited and has a lengthy disbursement timeframe. If you choose to use a summer TAP award please be aware of the following conditions and requirements:

- Students must be in good academic standing.
- Students must complete a 2023-2024 FAFSA and NYS Payment Application (TAP)
- Students who use summer TAP funds for less than full-time attendance in summer will not be disbursed until fall of the following year (i.e. summer 2023 funds will be disbursed in fall 2024).
- If the amount of a student's deferral does not cover their entire tuition bill, students will be responsible to pay any balance due from their own funds.
- If for any reason the student does not meet the eligibility requirements for their TAP award, the student agrees to pay the account in full plus any collection costs.
- Students must be enrolled in at least 6 credit hours during the summer term.

- Students understand that they must have been a full-time student in the prior spring semester.
