4.0 REPORTS

4.1 President’s Report

4.1.1 President: Dr. Durant provided the following highlights:

- Strategic Planning - Efforts are underway with the Senior Leadership Group to identify goals and objectives for 2018 - 2019. Their work will be presented at the Board Retreat.
- Dr. Durant will present an all-campus address on Friday, August 31. Updates on a variety of projects will be given.
- On-going discussions are taking place with the City of Auburn and Falcon Park. In the next weeks, we should have something for the Trustees to approve.
- Cayuga was part of the City of Auburn DRI grant that the Governor announced. The Culinary & Ag Center are part of the preliminary approval. The agricultural initiatives program is going through the SUNY process for approvals now. We will be working with the City to identify the next steps to flesh out our proposals. Though the grant has not been finalized, it is nice to have the possibilities of funding to support our mission and vision.
- Thanks to all the faculty and staff who have worked so hard during August to get ready for students to arrive on August 27.
- Professional development day was held for supervisors last week. The day was developed and led by all internal resources; it is a wonderful example of how we can think outside the box. It was noted by some attendees that it was the first gathering of supervisors off-campus since 1984. Dr. Van Buskirk attended the lunch and was impressed with the great positive energy. Dr. Herron who said it was a great day for managers echoed this sentiment.

4.1.2 Provost and Vice-President for Academic Affairs: Dr. Herron’s report was included in the packet.

- The new Speaker Series is promoted in the new Continuing Education Catalog (distributed to all Trustees).
- Dr. Van Buskirk stated that Cayuga is one of the few community colleges with offerings in Studio Art and we are lucky to have Professor Melissa Johnson.

4.1.3 Vice President of Administration and Treasurer: Dr. DoBell’s report was included in the packet.

- Year-end reports are being prepared.
- Auditors are on-site.
- Grounds are being tended to.
- Maintenance mechanic interviews are today.
- Piggybacking on contracts for the Falcon Park project saved $10,000.
- Mr. Camardo has requested a tour of facilities. Dr. DoBell will follow-up.

4.1.4 Vice-President for Student Affairs: Mr. Rosenthal’s report was included in the packet. He was excused.

- Dr. Durant gave the following update on enrollment:
  - Fall 2018 enrollment is flat to slightly up.
  - We are on pace to hit our enrollment marks, but it is a little unknown right now.
  - In early October, we will be able to make an enrollment presentation by degree and programs.
  - We will be researching our capture rate and analyzing what our early numbers mean.
  - Students are applying to more schools and being encouraged to shop for financial aid.
  - We will continue to craft articulation agreements as a way to create a smooth four-year track.
4.1.6 **CCC Foundation**: Mr. Cosentino was excused.

5.0 **OLD BUSINESS**
The mentoring program for the new Student Trustee must be finalized.

6.0 **NEW BUSINESS** - Dr. Van Buskirk presented the following resolution as a motion to approve:

6.1 **RESOLVED**, that the Board adopt a change in meeting time from 5:00 p.m. to _____ a.m. for its regular monthly meetings held on the third Thursday of each month.

The exact time was left for the decision of the Board. Ms. Brown seconded the motion. Dr. Van Buskirk noted that the 5:00 p.m. start time had become onerous for several Trustees. Mr. Camardo and Ms. Carnicelli expressed concerns about accessibility of the meetings for both staff and the public. Pete Liddell, Faculty Union Rep, stated that there should be no problem with ensuring representation at a morning meeting. ESP co-President JoAnn Harris stated that the union would feel like they were being shut out. Mr. Camardo made a motion to table the resolution. No second was made.

Discussion continued. Ms. Daddabbo cited that the dinner hour was no longer an opportune time for a Board meetings; patriarchal systems must change as boards become more gender-balanced. The time entered on the resolution was 8:00 a.m. A roll call vote was taken - five yea and one nay vote by Mr. Camardo citing concern for staff and public attendance. The resolution carried.
